SUMMARY

I'm a Full-Stack Web Developer looking for my first job in development after completing Microverse's Web Development course. I'm a diligent worker, an excellent communicator and a genuine code enthusiast. I'm seeking a remote entry-level position in a company with a good work culture and strong core values where I can put my talents to good use and continue to learn and grow as a developer.

SKILLS

Front-End: HTML & CSS, Sass, Bootstrap, ES6
Back-End: Ruby, Ruby on Rails, SQL (MySQL, Postgres)
Tools & Methods: Git, GitHub, Test-Driven-Development, npm, webpack
Professional: Mentoring, Code Reviewing, Remote Pair-Programming

EDUCATION

MICROVERSE   June, 2020 – Present
Remote Full Stack Web Development Program, Full Time
- Was among the 1% of applicants accepted onto the course
- Spent 900+ hours to date engaged in mastery learning of HTML & CSS, Ruby, Rails, SQL and JavaScript
- Authored dozens of projects in collaboration with coding partners, all of which were deemed to demonstrate mastery by the school's Senior Engineers. Also authored solo Capstone projects for HTML/CSS, Ruby, RoR and JavaScript
- Developed skills in remote pair-programming using GitHub, industry-standard Git Flow, and daily standups to communicate and collaborate with international remote developers

EXPERIENCE

HIGHLIGHTED PERSONAL PROJECTS   Remote
A Sailor, A Cook   April, 2020
- Worked remotely for a client to build a website for an academic project
- Designed and coded a website to display a range of artwork, with direction from the client
- Managed the deployment of the finished product according to the client's needs, including which included acquiring a domain name and an appropriate hosting service

MICROVERSE   Remote
Mentor (Volunteer)   July, 2020 – Present
- Mentored junior web developers, providing technical support through code reviews
- Proposed improvements to code organization to improve code quality and overall performance
- Provided advice and tips on how to maintain motivation to maintain longevity in the program

ENGOO   Remote
Remote English Tutor   February, 2018 – April, 2020
- In a previous line of work, I taught English to hundreds of students via videolink, building rapport and communicating grammatical concepts effectively
- Earned a 4.8/5.0 rating on the platform for my friendliness, knowledge and professionalism
